Notes:

1. All users must be registered members of the CBPCA HERS Providership to register documents.
2. Since Mech O4 forms do not require certification, there is no charge for Mech O4 forms.
3. Revisions (A,B,C) and copies are free
4. Table above shows price for 5 forms, but every form beyond 4 will cost \$5 each (eg, 6 forms would be \$40, etc)
5. MVP program: If you register 50 or more CF-4R forms in a given month, the price for each job that month will be a flat \$20/job (requires maintaining a record of timely payment of invoices).
